

CLINICAL SERVICES

CLINICAL SERVICES OVERVIEW

Glenkirk Clinical Services offer a comprehensive array of supports including respite, medical, therapeutic, behavioral and counseling services, as well as medical care coordination and home-based support services.

Individuals are assisted with arranging and keeping track of appointments, and following through on treatments and medications. Individuals are supported during doctor visits, tests, procedures or hospital stays.

ABOUT GLENKIRK

Glenkirk provides quality, lifetime supports and services that empower individuals with intellectual disabilities to participate fully in all areas of community life.

Glenkirk offers a variety of residential, day and employment programs, as well as respite, medical, behavioral and home-based services.
